

Argyle Trip

Credition Youth organised a trip down to the Plymouth Argyle v West Bromwich Albion friendly.

Thirty nine players, coaches and parents made the journey down to Home Park. Prior to the game the group went for a swim in the Life Centre next to the ground.

After trying out the flumes the more adventurous made their way to the diving boards. An hour seemed to just fly by.

Again it was great to give some of the younger players their first taste of live football at a big stadium. The game itself ended goalless with not a great deal of excitement. But West Brom fielded a host of top players including, Darren Fletcher, Jonny Evans, Ben Foster and Rondon, giving a lot of our players the opportunity to see some Premiership stars close up.

Once again another great day out enjoyed by all.

Credition Youth U18s v Coaches

Bright sunshine and a large crowd greeted the players for the recent Credition Youth Coaches v Under 18's game. With the U18's having a side made up of a good mix of some of last seasons players and some new faces up against an experienced Coaches side it promised to be an exciting game on a superb looking Lords Meadow pitch.

The first half was probably edged by the Coaches, who created the better chances, with Steve Ebdy twice hiring the woodwork. The second half started much the same with both Sean Hartrey and Martin Daniel going close for the Coaches. But as the temperature started to rise the Under 18's got back into the game. Only a few fine saves from Coaches keeper Ian Leach kept in goalless before Joe Sandom with a fine finish put the youngsters in front.

The Coaches again pined on the pressure with an excellent save from Cory Baker denying Steve Ebdy, and a superb goal line clearance by Josh Robinson from an in swinging corner again thwarting the Coaches.

As the game drew to an end Steve Lethbridge again went close, and Rich Edworthy hit the woodwork, before the Under 18's broke away and were awarded a penalty. Fraser Maule cooling stepped up and calmly put it away to seal a 2-0 victory. A great game played in superb spirit, with special thanks to Phil Bridgman for refereeing.

Prior to the game Credition Youth FC held it's annual Signing on Event and BBQ, complete with Precision Soccer and an ice cream van in attendance.
